Subject: Delinquent Permit Fee & Requirement to Post Reclamation Surety, 3MRC, Inc., White King/Dumpy Placer, S0450045, Tooele County, Utah

Dear Mr. Schmardebeck:

This letter is in response to your March 30, 2007 letter, wherein you requested additional time to deal with your mining permit. As per your request we have postponed taking any action for over a month, however it is now time to comply with the Utah Mined Land Reclamation Act. Rule R647-3-101.5.12 requires the payment of permit fees by the last Friday in July. The permit fees in the amount of \$150 for the White King/Dumpy Placer mine are delinquent (due July 2006) and must be paid in order to maintain your permit.

Further, you have been previously notified of the requirement to post a reclamation surety for the above referenced mine site. We have no record that you have completed this requirement either. Please contact us immediately in order to make arrangements for getting a reclamation surety in place. If we have not received the permit fee and reclamation surety within the next 30 days your permit will be withdrawn and you will be ordered to complete reclamation of any disturbance associated with the mine.

Please contact Tom Munson at (801) 538-5321 or Beth Ericksen at (801) 538-5318 and work with us as soon as possible to correct this situation. As with any Division decision, you have the opportunity to appeal for a hearing before the Board of Oil Gas & Mining.
